

## **MISSION AND VALUES**

Young Life does not start with a program. It starts with adults who care about young people to go to them, on their territory and in their culture, building bridges of true friendship. These relationships don't happen overnight - they take time, patience, trust and consistency.

### **OUR MISSION**

To present Jesus Christ to young people and help them grow in their faith.

WE ACCOMPLISH OUR MISSION WHEN:

- We pray for the youth.
- We go where the youth are.
  
- We build personal relationships with them.
- We earn the right to be heard.
  
- We provide fun experiences and adventures that change their lives.
  
- We share our lives and the Good News of Jesus Christ with young people.
- We invite them to respond personally to this Good News.
  
- We love them and walk in genuine friendship regardless of their response.
- We nurture young people so they can grow in their love for Jesus.
  
- We work in the community with like-minded adults (volunteer leaders, committee members, donors, and staff).

### **OUR VALUES**

We live according to the whole Gospel of Jesus Christ and communicate it.

We accomplish our mission under the authority of Scripture and supported by the Holy Spirit to empower our ministry.

We reach young people from all social, cultural, economic, and ethnic backgrounds around the world.

We encourage the spiritual growth of those who do this ministry so that they may minister to others toward a conscious and growing relationship with Christ and His followers.

We research and develop new approaches to reach young people who have no interest and not committed to Christ.

We welcome all those whom God calls to our mission, men and women from all nations. Staff and volunteers who are united to the common purpose of bringing young people to Jesus Christ.
